My daily routine

Let me tell you about my daily routine.

In the morning, I get up and brush my teeth. Then, I have my breakfast. In my breakfast, I have milk and bread. At half past six, my mom takes me to school. At school I learn many subjects like Math, History, Literature but I like Math best. Then I have a thirty-minute break at the morning and a twenty-minute break at the afternoon. At six o'clock, I have my dinner with my family. At nine o'clock, I go to bed.

In the future, I want to be an interpreter, which has been my dream since I was a little girl. Being an interpreter is very exciting and there are some reasons for my choice. Firstly, I want to acquire more and more languages. During my childhood, I was impressed by the Japan's cartoons. I spent a long time watching and have troubles with it. I couldn't understand what they conveyed because of the different speech between us. From that time forward, I determine myself and take account of learning English.

My family

Let me tell you about my family.

There are four people in my family I have a mother, a father and an older brother. I am the youngest child in my family.

My father is a policeman and my mother is a teacher. My brother is a high school student. On the weekend, my family often eats out at a restaurant.

I am very close to my family. I love them all.

My favorite animal

I have a cute cat. I fed it from when it was young. Her name is Misa. Misa has a yellow coat with a short chase. She has a black-eyed which can glow in the dark. She has a tiny nose with a pair of small ears. She is not fat but She looks very cute with tiny body. She is really so cute in my eyes. She likes playing with colors wool rolls. Especially, she likes to lie in my arms. She always says meow. Probably, it shows that Misa is happy for that. I like stroke her soft coat. She makes me feel happy. I think I'm lucky enough to have Misa.

My favorite food

I am a big fan of pizza.

It is an Italian dish made from pizza dough and different kinds of topping.

You can eat pizza with chili sauce or cheese powder. I eat pizza at least once a week. Sometimes I eat it at Pizza company restaurant with my family. But I usually have pizza delivered at home. I really love to eat pizza!

My favorite music

Pop is my favorite music, and I like it for some reasons. Firstly, it relieves stress. Whenever I feel down or tired, I usually listen to pop music to relax or fall asleep. Then, my feelings actually become better. Secondly, music helps me to make friends. In my university, I have found many new friends who have the same passion for music. When we have free time, we usually talk about a song and sing it together. As a result, the number of my friends is increasing significantly. Finally, music also helps me to work more effectively. It is true that I am very lazy of cleaning my room, but when I listen to a pop song, I do very well and fast. In brief, music is an important part of my life. It brings many changes to me, so I see music as a friend of me.

My favorite season

Winter is my favourite season. I love everything about it. I like the cold weather, which always makes the sky seem so blue. I also like being able to see my breath in the cold air. In summer, it's difficult to keep cool outside, but in winter, it's easy to keep warm. I really like hiking in winter. The cold really makes you feel alive. It's also great getting home to a nice warm room. Winter also has the best holidays. I love getting together with my family and then celebrating the New Year. Winter is a really good time to go on vacation because the sights are usually empty. If you go anywhere in Europe in winter, you can be sure of getting a hotel room and you never have to wait to get into a museum.

My favorite sport

My favorite sport is playing football. I often play football in my spare time. After completing my home work at home, I generally spend my lot of free time in playing football. I was so interested to play football from my childhood however started learning to play well when I was 5 years old. I was in one class when I was 5 years old. My father asked to my class teacher in the PTM about my hobby of football. And my teacher told him that there is a facility of playing sports daily in the school from class 1 so you can admit your child. Now, I really enjoy playing football and participate in the inter-school competitions.

My hobby

My hobby is reading. I spend most of my free-time reading books. When I am reading books, our minds are free to picture and link the information, it feels like I am experiencing the situation and seeing what's going on. Those are very real feelings that are hard to bring to me. I have a small library in my house for reading but sometimes I use the computer to find some interesting stories that I don't have.
