

List of degrees of comparison

Positive degree — **Comparative degree** — **Superlative degree**

- 1) able – abler/more able – ablest/most able
- 2) active – more active – most active
- 3) adorable – more adorable – most adorable
- 4) agile – more agile – most agile
- 5) agreeable more agreeable most agreeable
- 6) alert – more alert – most alert
- 7) amusing – more amusing – most amusing
- 8) ancient – more ancient – most ancient
- 9) angry – angrier – angriest
- 10) astonished – more astonished – most astonished
- 11) attractive – more attractive – most attractive
- 12) bad – worse – worst
- 13) badly – worse – worst
- 14) baggy– baggier – baggiest
- 15) beautiful – more beautiful – most beautiful
- 16) beautifully – more beautifully – most beautifully
- 17) beefy– beefier– beefiest

List of degrees of comparison

Positive degree — **Comparative degree** — **Superlative degree**

18) big – bigger – biggest

19) bitchy – bitchier – bitchiest

20) bitter – bitterer/more bitter – bitterest/most bitter

21) black – blacker – blackest

22) bland – blander – blandest

23) bloody – bloodier – bloodiest

24) blue – bluer – bluest

25) bold – bolder – boldest

26) bony – bonier – boniest

27) bossy – bossier – bossiest

28) bouncy – bouncier – bounciest

29) brave – braver – bravest

30) breezy – breezier – breeziest

31) brief – briefer – briefest

32) bright – brighter – brightest

33) brilliant – more brilliant – most brilliant

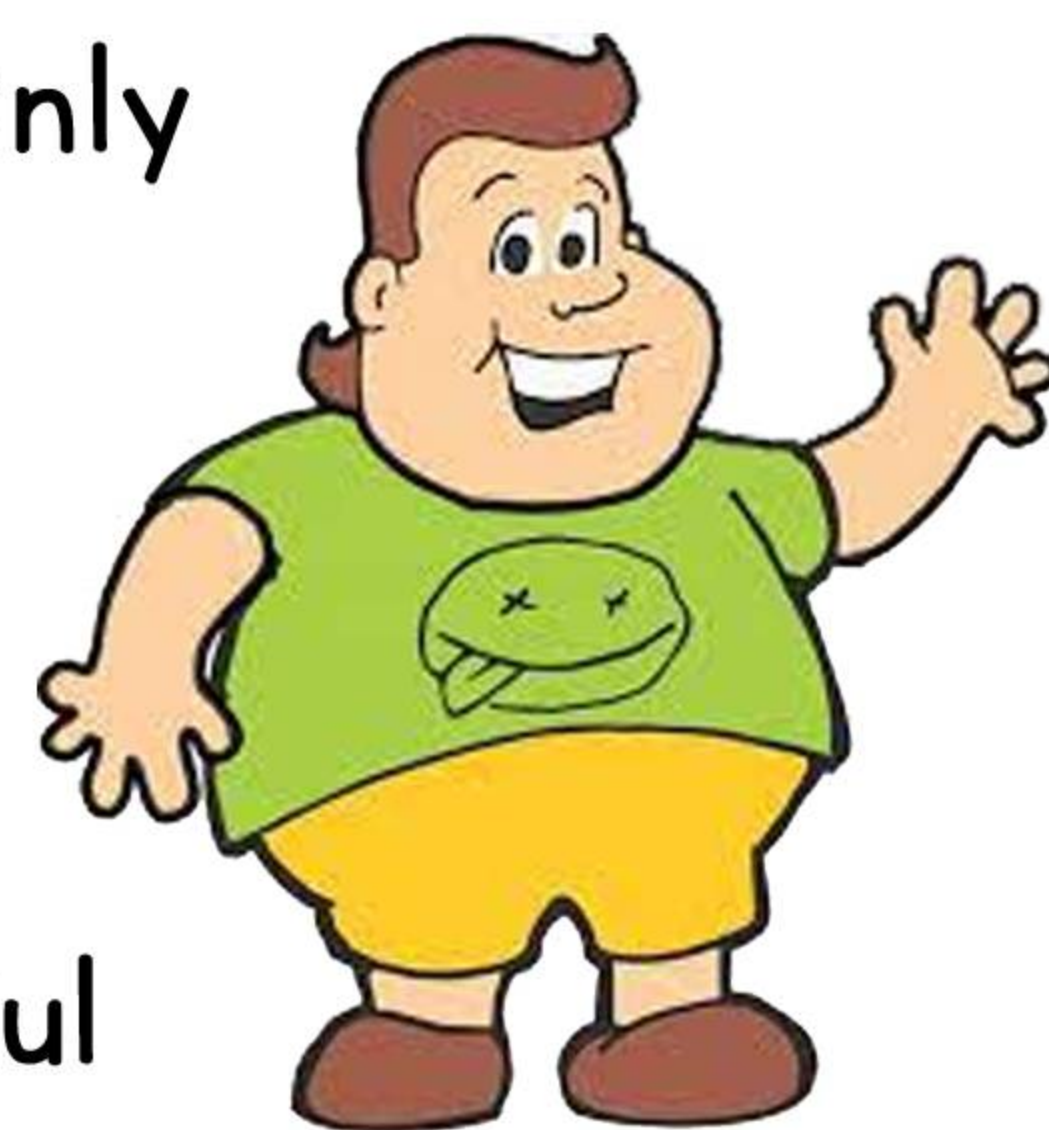

34) broad – broader – broadest

List of degrees of comparison

Positive degree — **Comparative degree** — **Superlative degree**

- 35) broody – broodier – broodiest
- 36) busy – busier – busiest
- 37) calm – calmer – calmest
- 38) capable – more capable – most capable
- 39) careful – more careful – most careful
- 40) carefully – more carefully – most carefully
- 41) careless – more careless – most careless
- 42) catchy – catchier – catchiest
- 43) cautious – more cautious – most cautious
- 44) certain – more certain – most certain
- 45) certainly – more certainly – most certainly
- 46) cheap – cheaper – cheapest
- 47) cheeky – cheekier – cheekiest
- 48) cheerful – more cheerful – most cheerful
- 49) cheerfully – more cheerfully – most cheerfully
- 50) chewy – chewier – chewiest
- 51) chubby – chubbier – chubbiest

List of degrees of comparison

Positive degree — **Comparative degree** — **Superlative degree**

52) classy – classier – classiest

53) clean – cleaner – cleanest

54) cleanly – cleanlier – cleanliest

55) clear – clearer – clearest

56) clever – cleverer/more clever – cleverest/most clever

57) close – closer – closest

58) clouded – more clouded – most clouded

59) cloudy – cloudier – cloudiest

60) clumsy – clumsier – clumsiest

61) coarse – coarser – coarsest

62) cocky – cockier – cockiest

63) cold – colder – coldest

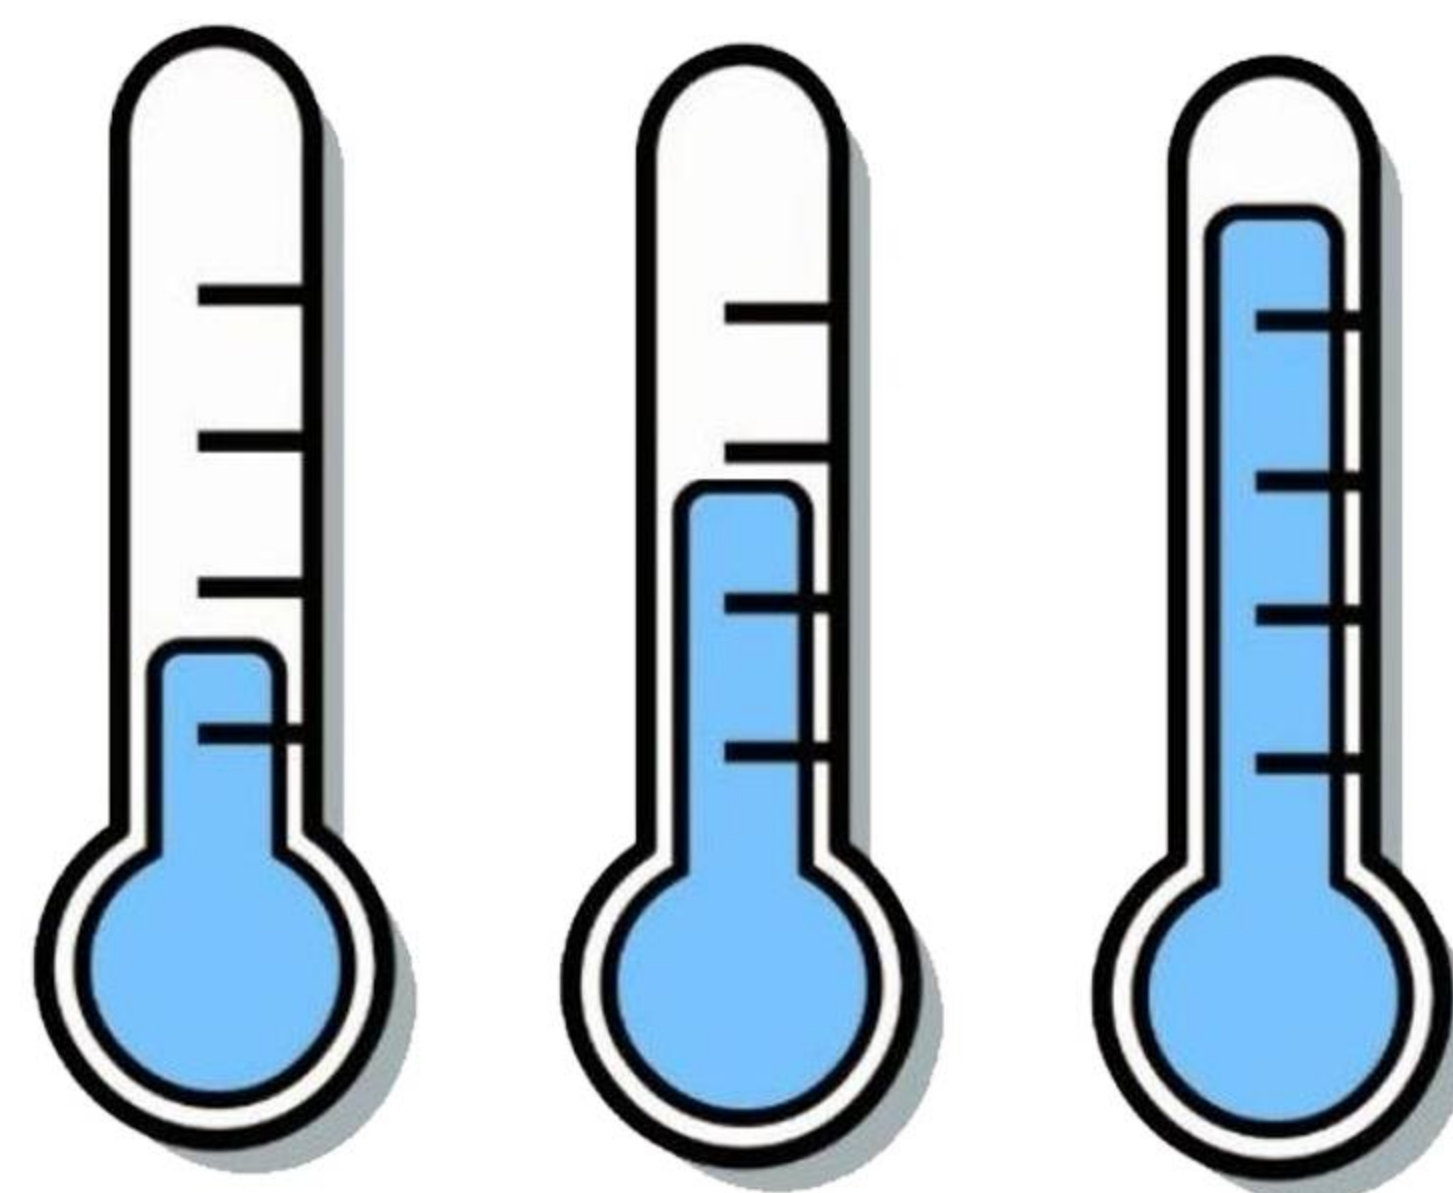

64) colorful – more colorful – most colorful

65) colourful – more colourful – most colourful (Brit.)

66) comfortable – more comfortable – most comfortable

67) common – commoner – commonest

68) competitive – more competitive – most competitive

List of degrees of comparison

Positive degree — **Comparative degree** — **Superlative degree**

69) conservative — more conservative — most conservative

70) convenient — more convenient — most convenient

71) cool — cooler — coolest

72) costly — costlier — costliest

73) cosy — cosier — cosiest

74) courageous — more courageous — most courageous

75) crazy — crazier — craziest

76) cream — creamier — creamiest

77) creepy — creepier — creepiest

78) crispy — crispier — crispiest

79) crooked — more crooked — most crooked

80) cruel — crueller — cruelest

81) cruel — crueller — cruelest (Brit.)

82) crunchy — crunchier — crunchiest

83) cunning — more cunning — most cunning

84) curious — more curious — most curious

85) curly — curlier — curliest

List of degrees of comparison

Positive degree — **Comparative degree** — **Superlative degree**

86) curvy – curvier – curviest

87) cute – cuter – cutest

88) dainty – daintier – daintiest

89) damp – damper – dampest

90) dangerous – more dangerous – most dangerous

91) dark – darker – darkest

92) dead – dead – dead

93) deadly – deadlier – deadliest

94) dear – dearer – dearest

95) deep – deeper – deepest

96) dense – denser – densest

97) delicate – more delicate – most delicate

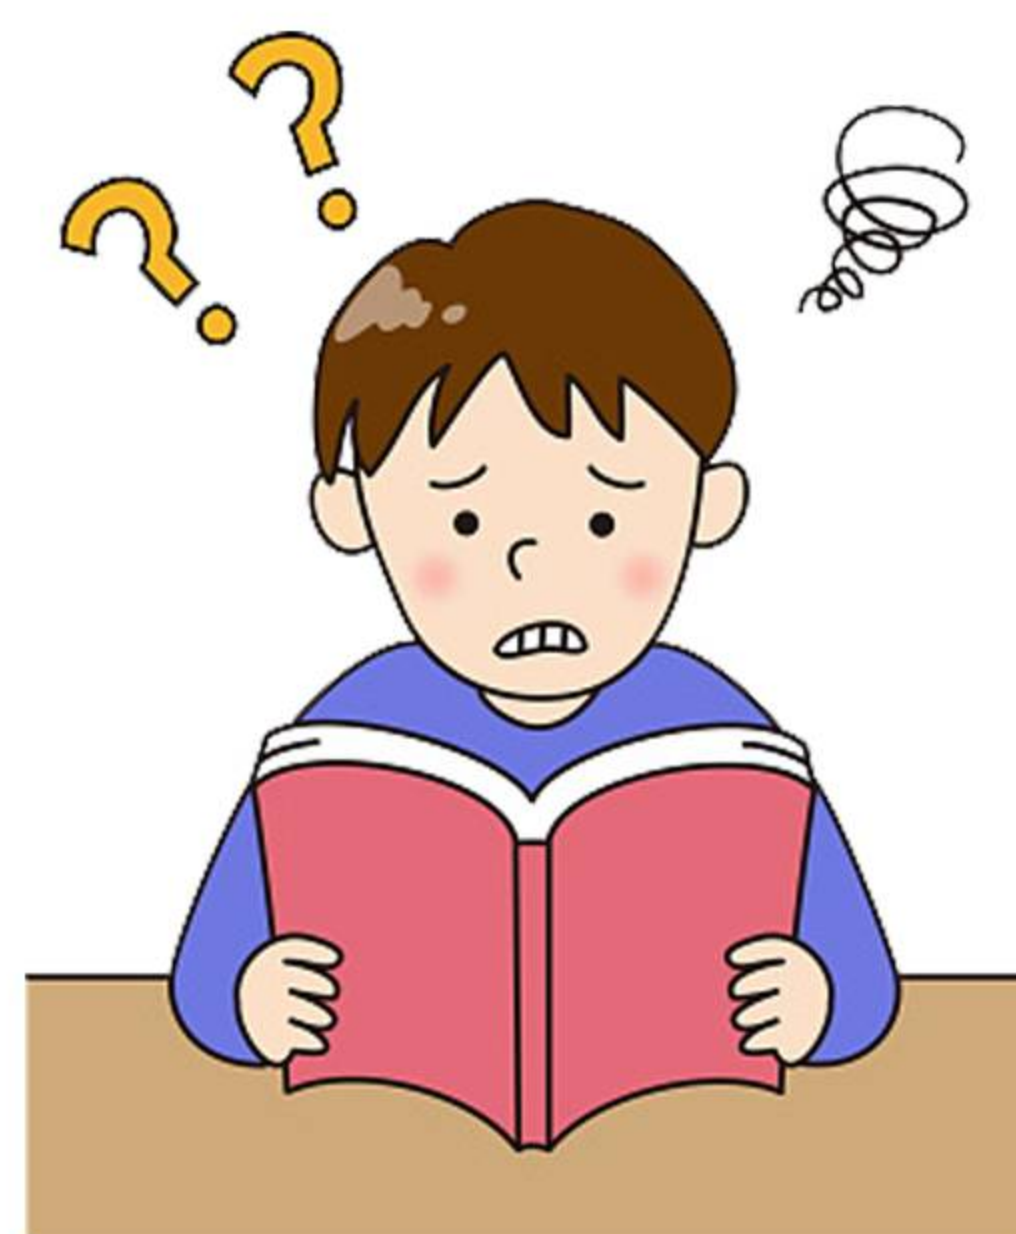

98) delicious – more delicious – most delicious

99) delightful – more delightful – most delightful

100) determined – more determined – most determined

101) difficult – more difficult – most difficult

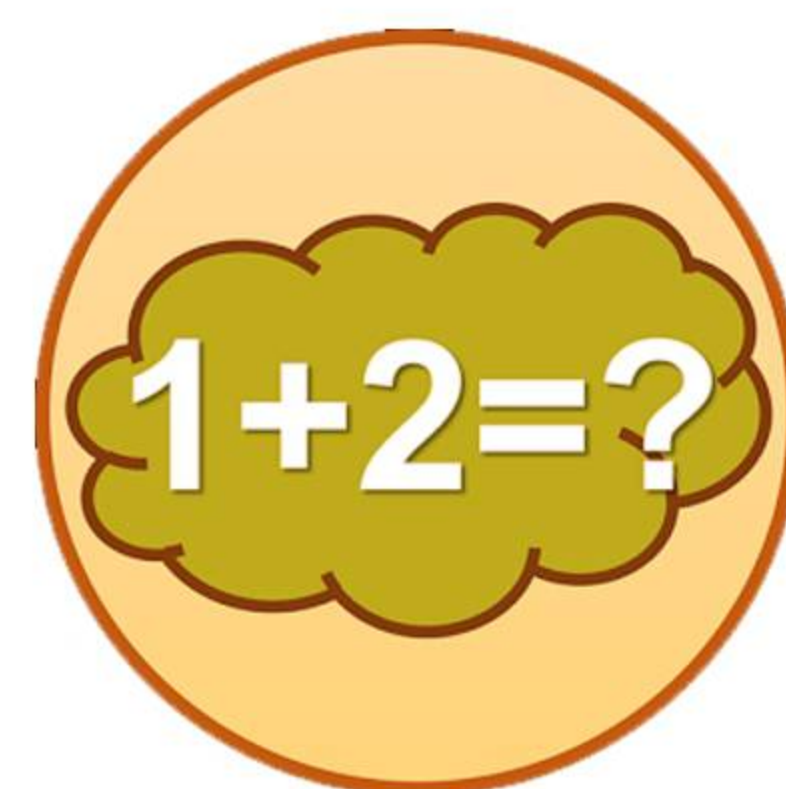

102) dim – dimmer – dimmest

List of degrees of comparison

Positive degree — **Comparative degree** — **Superlative degree**

- 103) dim – more dimly – most dimly
- 104) dirty – dirtier – dirtiest
- 105) disappointed – more disappointed – most disappointed
- 106) distant – more distant – most distant
- 107) dizzy – dizzier – dizziest
- 108) dry – drier – driest
- 109) dull – duller – duller
- 110) dumb – dumber – dumbest
- 111) dusty – dustier – dustiest
- 112) eager – more eager – most eager
- 113) early – earlier – earliest
- 114) easy – easier – easiest
- 115) effective – more effective – most effective
- 116) effectively – more effectively – most effectively
- 117) efficient – more efficient – most efficient
- 118) efficiently – more efficiently – most efficiently
- 119) enjoyable – more enjoyable – most enjoyable

List of degrees of comparison

Positive degree — **Comparative degree** — **Superlative degree**

- 120) enjoyably – more enjoyably – most enjoyably
- 121) enthusiastic – more enthusiastic – most enthusiastic
- 122) excellent – more excellent – most excellent
- 123) expensive – more expensive – most expensive
- 124) experienced – more experienced – most experienced
- 125) faint – fainter – faintest
- 126) fair – fairer – fairest
- 127) faithful – more faithful – most faithful
- 128) fancy – fancier – fanciest
- 129) famous – more famous – most famous
- 130) far – farther/further – farthest/furthest
- 131) fast – faster – fastest
- 132) fat – fatter – fattest
- 133) fearless – more fearless – most fearless
- 134) feeble – feebler – feeblest
- 135) few – fewer – fewest
- 136) fierce – fiercer – fiercest

List of degrees of comparison

Positive degree — **Comparative degree** — **Superlative degree**

137) filthy – filthier – filthiest

138) fine – finer – finest

139) firm – firmer – firmest

140) fit – fitter – fittest

141) flabby – flabbier – flabbiest

142) flaky – flakier – flakiest

143) flat – flatter – flattest

144) fleshy – fleshier – fleshiest

145) flimsy – flimsier – flimsiest

146) foolish – more foolish – most foolish

147) forgetful – more forgetful – most forgetful

148) fragile – more fragile – most fragile

149) free – freer – freest

150) freely more freely – most freely

151) frequently – more frequently – most frequently

152) fresh – fresher – freshest

153) friendly – friendlier – friendliest

List of degrees of comparison

Positive degree — **Comparative degree** — **Superlative degree**

154) frightened – more frightened – most frightened

155) frightening – more frightening – most frightening

156) frizzy – frizzier – frizziest

157) full – fuller – fullest

158) fully – more fully – most fully

159) fun more fun – most fun

160) funny – funnier – funniest

161) furious – more furious – most furious

162) furry – furrier – furriest

163) generous – more generous – most generous

164) gentle – gentler – gentlest

165) gifted – more gifted – most gifted

166) glad – gladder – gladdest

167) gladly – more gladly – most gladly

168) gloomy – gloomier – gloomiest

169) glossy – glossier – glossiest

170) gnarly – gnarlier – gnarliest

List of degrees of comparison

Positive degree — **Comparative degree** — **Superlative degree**

171) good – better – best

172) gorgeous – more gorgeous – most gorgeous

173) graceful – more graceful – most graceful

174) grand – grander – grandest

175) grassy – grassier – grassiest

176) grave – graver – gravest

177) greasy – greasier – greasiest

178) great – greater – greatest

179) greedy – greedier – greediest

180) greedily more greedily – most greedily

181) green – greener – greenest

182) gross – grosser – grossest

183) grumpy – grumpier – grumpiest

184) guilty – guiltier – guiltiest

185) hairy – hairier – hairiest

186) handsome – more handsome – most handsome

187) handy – handier – handiest

List of degrees of comparison

Positive degree — **Comparative degree** — **Superlative degree**

188) happy – happier – happiest

189) happily – more happily – most happily

190) hard – harder – hardest

191) harmless – more harmless – most harmless

192) harsh – harsher – harshest

193) hasty – hastier – hastiest

194) healthy – healthier – healthiest

195) heavy – heavier – heaviest

196) heavily – more heavily – most heavily

197) helpful – more helpful – most helpful

198) hideous – more hideous – most hideous

199) high – higher – highest

200) hilarious – more hilarious – most hilarious

201) hind – hinder – hindmost

202) hip – hipper – hippest

203) honest – more honest – most honest

204) honestly more honestly – most honestly

List of degrees of comparison

Positive degree — **Comparative degree** — **Superlative degree**

205) hopeful – more hopeful – most hopeful

206) horrible – more horrible – most horrible

207) horribly – more horribly – most horribly

208) hot – hotter – hottest

209) huge – huger – hugest

210) humble – humbler – humblest

211) hungry – hungrier – hungriest

212) icy – icier – iciest

213) ignorant – more ignorant – most ignorant

214) ill – more ill – most ill

215) ill – worse – worst

216) imaginative – more imaginative – most imaginative

217) immense – more immense – most immense

218) important – more important – most important

219) impractical – more impractical – most impractical

220) in – inner – inmost/innermost

221) intelligent – more intelligent – most intelligent

List of degrees of comparison

Positive degree — **Comparative degree** — **Superlative degree**

222) interesting – more interesting – most interesting

223) itchy – itchier – itchiest

224) jealous – more jealous – most jealous

225) joyful – more joyful – most joyful

226) joyfully – more joyfully – most joyfully

227) jolly – jollier – jolliest

228) juicy – juicier – juiciest

229) kind – kinder – kindest

230) kindly – kindlier – kindest

231) large – larger – largest

232) late – later/latter – latest/last

233) lazy – lazier – laziest

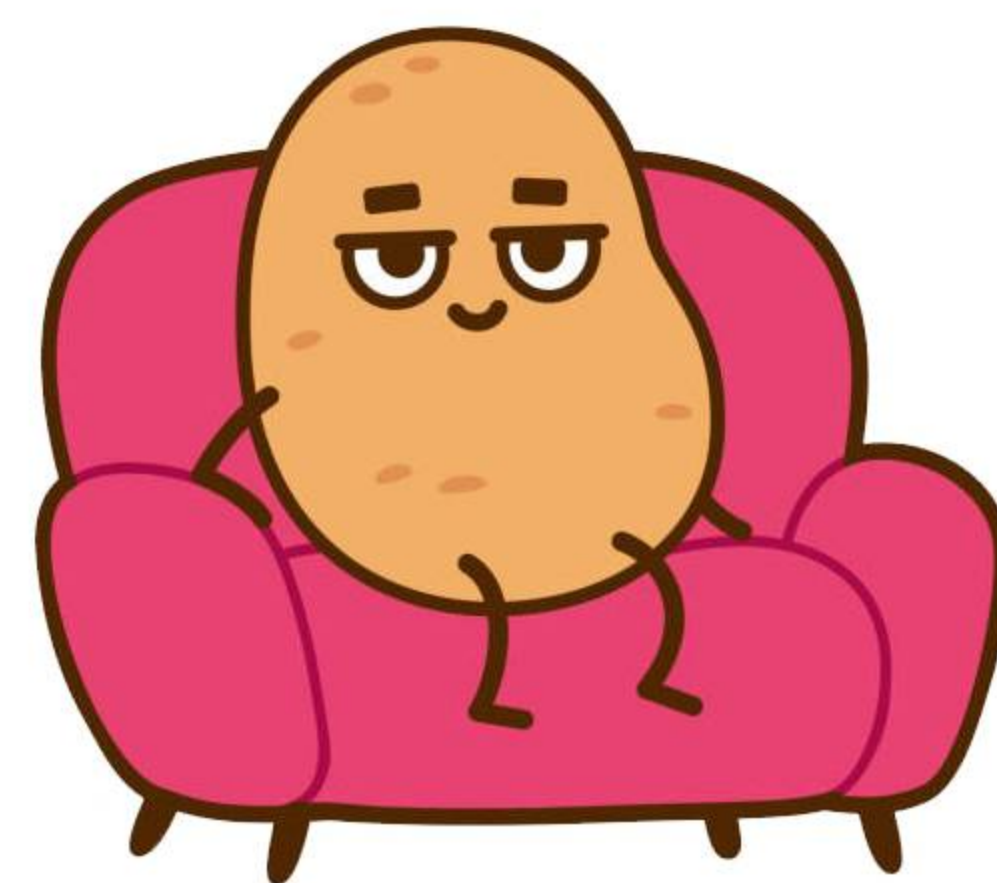

234) lean – leaner – leanest

235) leggy – leggier – leggiest

236) light – lighter – lightest

237) likely – likelier/more likely – likeliest/most likely

238) little (money) – less – least

List of degrees of comparison

Positive degree — **Comparative degree** — **Superlative degree**

239) little (girl) – littler – littlest

240) lively – livelier – liveliest

241) lonely – lonelier – loneliest

242) long – longer – longest

243) loud – louder – loudest

244) loudly – more loudly – most loudly

245) lovable – more lovable – most lovable

246) lovely – lovelier – loveliest

247) low – lower – lowest

248) lucky – luckier – luckiest

249) luxurious – more luxurious – most luxurious

250) mad – madder – maddest

251) manageable – more manageable – most manageable

252) many – more – most

253) mean – meaner – meanest

254) meek – meeker – meekest

255) mellow – mellow – mellowest

List of degrees of comparison

Positive degree — **Comparative degree** — **Superlative degree**

256) mercy – mercier – merciest

257) merry – merrier – merriest

258) messy – messier – messiest

259) mighty – mightier – mightiest

260) mild – milder – mildest

261) miserable – more miserable – most miserable

262) misty – mistier – mistiest

263) modern – more modern – most modern

264) moist – moister – moistest

265) much – more – most

266) muddy – muddier – muddiest

267) mysterious – more mysterious – most mysterious

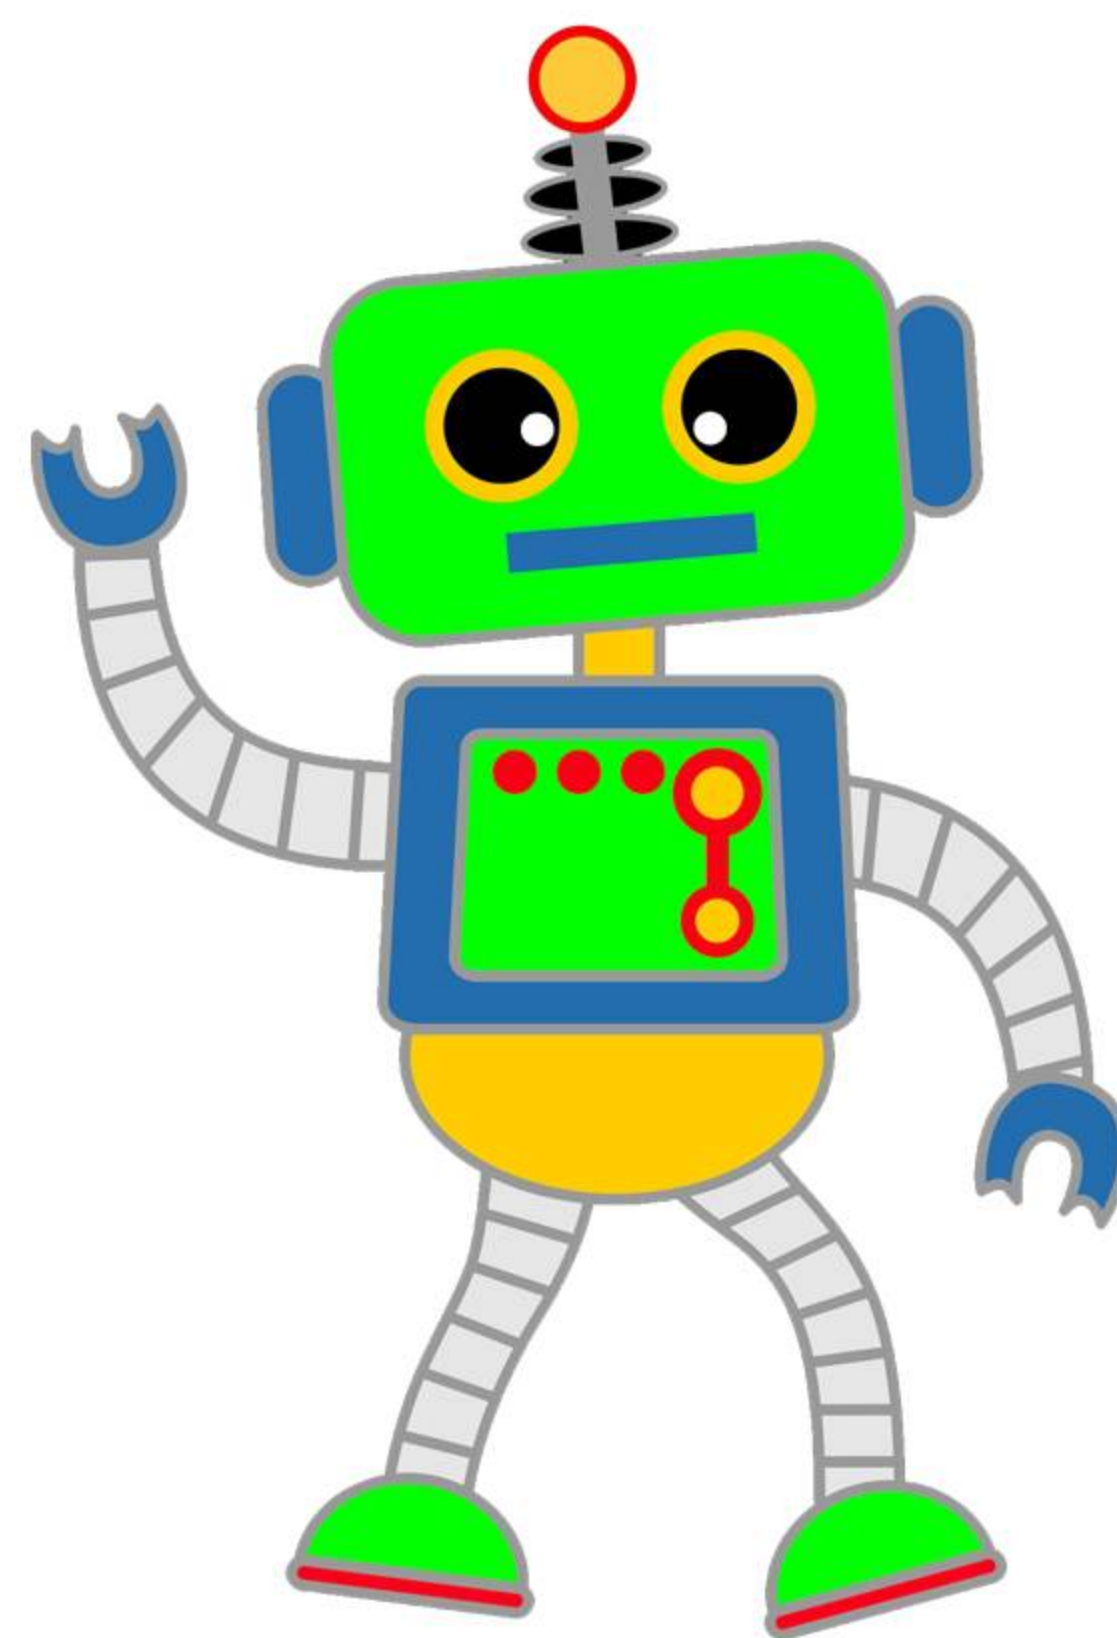

268) narrow – narrower – narrowest

269) nasty – nastier – nastiest

270) naughty – naughtier – naughtiest

271) near – nearer – nearest

272) neat – neater – neatest

List of degrees of comparison

Positive degree — **Comparative degree** — **Superlative degree**

273) necessary — more necessary — most necessary

274) needy — needier — neediest

275) nervous — more nervous — most nervous

276) new — newer — newest

277) nice — nicer — nicest

278) noble — nobler — noblest

279) noisy — noisier — noisiest

280) obedient — more obedient — most obedient

281) observant — more observant — most observant

282) odd — odder — oddest

283) offensive — more offensive — most offensive

284) often — more often/oftener — most often/oftenest

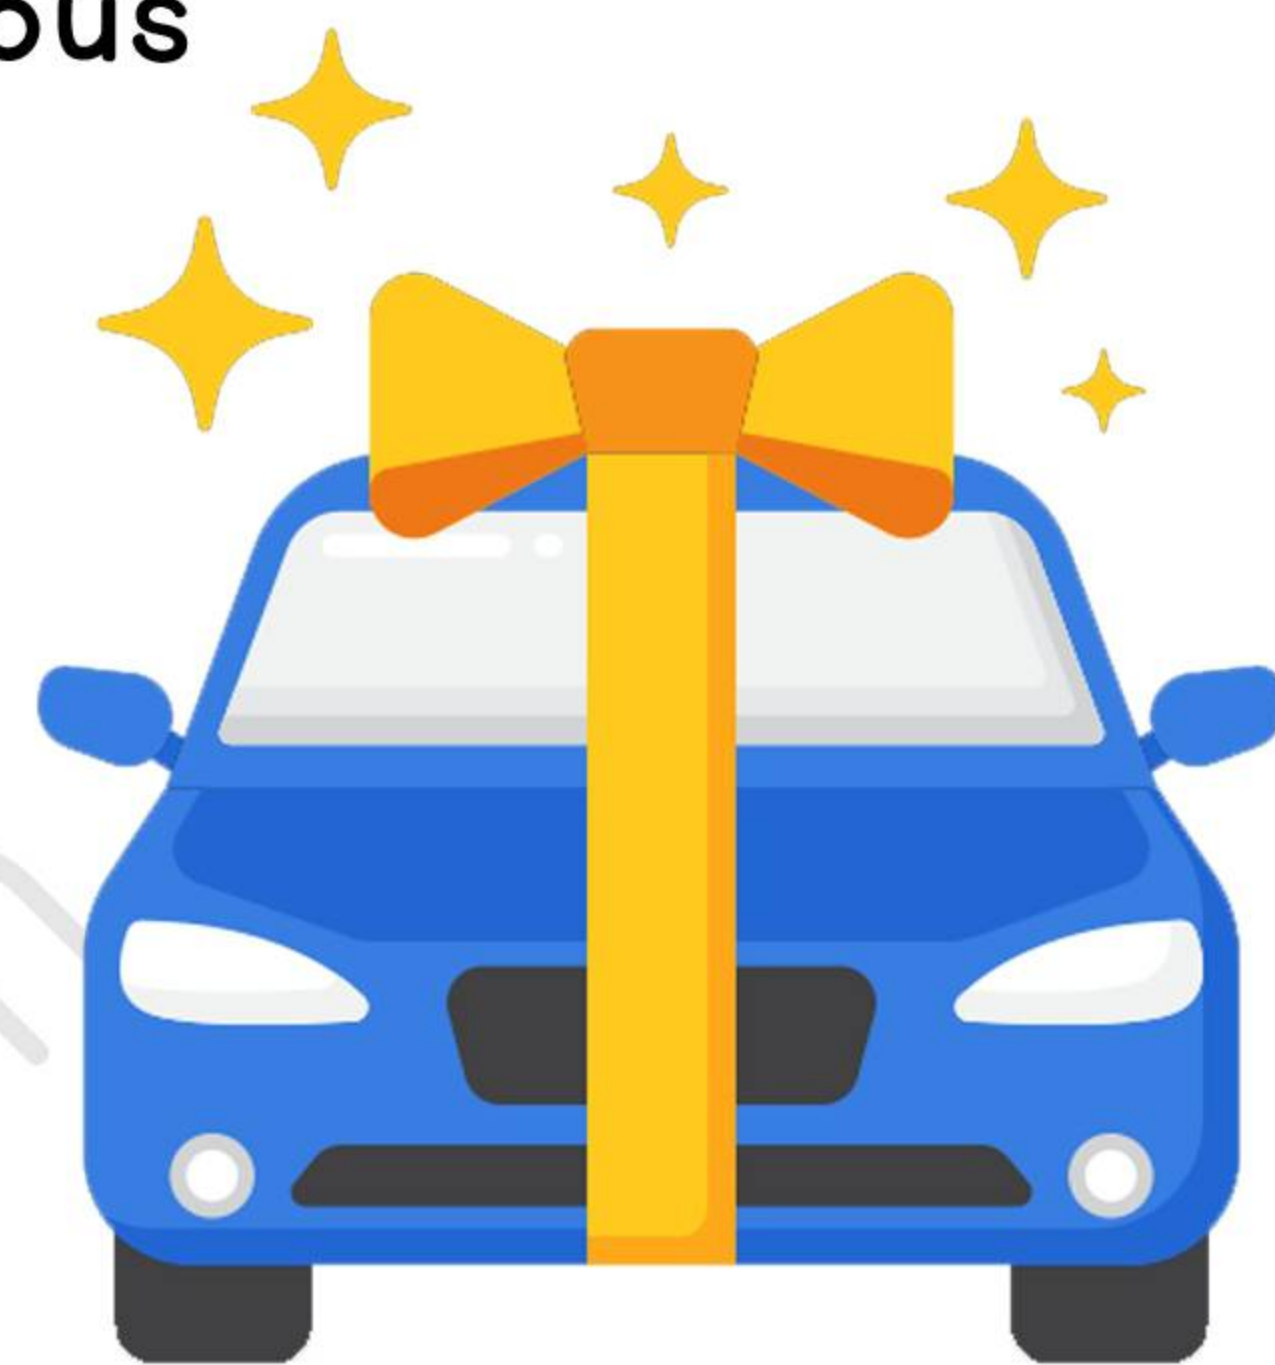

285) oily — oilier — oiliest

286) old — older/elder — oldest/eldest

287) original — more original — most original

288) out — outer — outmost/outermost

289) painful — more painful — most painful

List of degrees of comparison

Positive degree — **Comparative degree** — **Superlative degree**

290) painfully – more painfully – most painfully

291) pale – paler – palest

292) peaceful – more peaceful – most peaceful

293) perfect – more perfect – most perfect

294) petty – pettier – pettiest

295) plain – plainer – plainest

296) pleasant – more pleasant – most pleasant

297) plump – plumper – plumpest

298) polite – politer/more polite – politest/most polite

299) poor – poorer – poorest

300) popular – more popular – most popular

301) positive – more positive – most positive

302) powerful – more powerful – most powerful

303) practical – more practical – most practical

304) pretty – prettier – prettiest

305) proper – more proper – most proper

306) prosperous – more prosperous – most prosperous

List of degrees of comparison

Positive degree — **Comparative degree** — **Superlative degree**

307) proud – prouder – proudest

308) pure – purer – purest

309) qualified – more/better qualified – most/best qualified

310) quick – quicker – quickest

311) quickly more quickly – most quickly

312) quiet – quieter/more quiet – quietest/most quiet

313) rare – rarer – rarest

314) raw – rawer – rawest

315) recent – more recent – most recent

316) red – redder – reddest

317) reliable – more reliable – most reliable

318) remote – remoter – remotest

319) rich – richer – richest

320) ripe – riper – ripest

321) risky – riskier – riskiest

322) robust – more robust – most robust

323) rocky – rockier – rockiest

List of degrees of comparison

Positive degree — **Comparative degree** — **Superlative degree**

324) romantic – more romantic – most romantic

325) roomy – roomier – roomiest

326) rosy – rosier – rosiest

327) rough – rougher – roughest

328) round – rounder – roundest

329) rude – ruder – rudest

330) rusty – rustier – rustiest

331) sad – sadder – saddest

332) safe – safer – safest

333) salty – saltier – saltiest

334) sane – saner – sanest

335) satisfactory – more satisfactory – most satisfactory

336) savage – more savage – most savage

337) scary – scarier – scariest

338) secure – more secure – most secure

339) selfish – more selfish – most selfish

340) sensible – more sensible – most sensible

List of degrees of comparison

Positive degree — **Comparative degree** — **Superlative degree**

341) severe – more severe – most severe

342) shallow – shallower – shallowest

343) sharp – sharper – sharpest

344) shiny – shinier – shiniest

345) short – shorter – shortest

346) shy – shyer – shyest

347) silly – sillier – silliest

348) simple – simpler/more simple – simplest/most simple

349) simply – more simply most simply

350) sincere – more sincere – most sincere

351) skinny – skinnier – skinniest

352) sleepy – sleepier – sleepiest

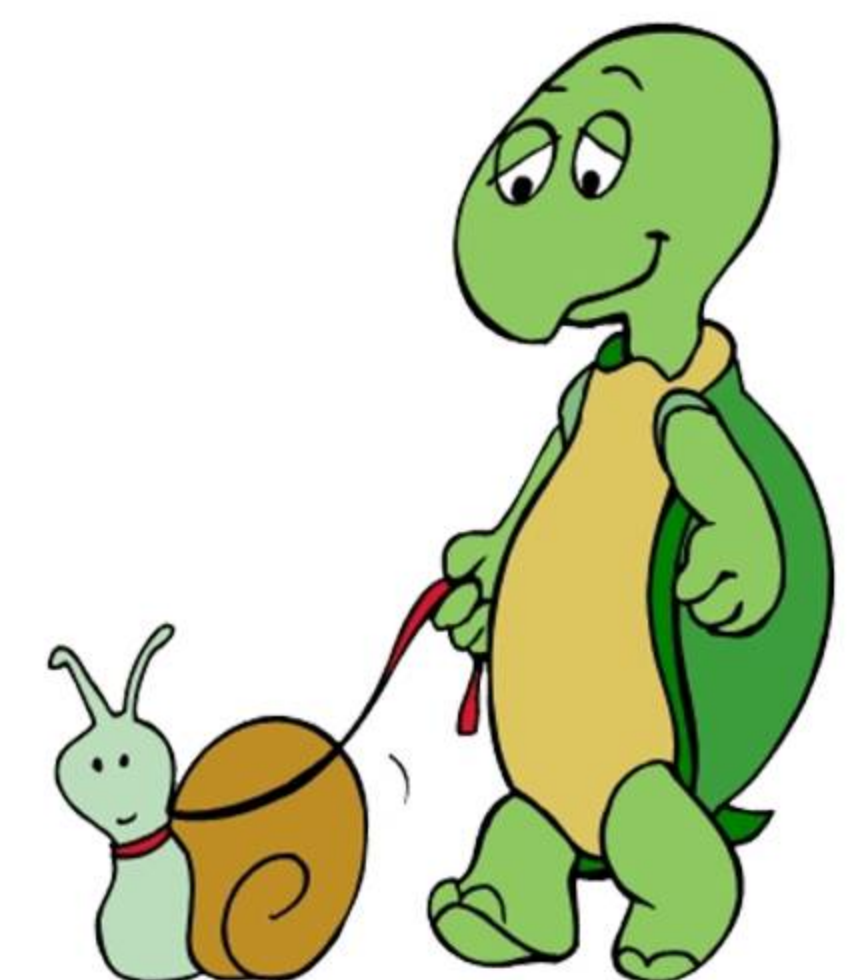

353) slim – slimmer – slimmest

354) slimy – slimier – slimiest

355) slow – slower – slowest

356) slowly – more slowly – most slowly

357) sly – slyer/sliest – slyest/sliest

List of degrees of comparison

Positive degree — **Comparative degree** — **Superlative degree**

358) small – smaller – smallest

359) smart – smarter – smartest

360) smelly – smellier – smelliest

361) smoky – smokier – smokiest

362) smooth – smoother – smoothest

363) soft – softer – softest

364) softly – more softly – most softly

365) soon – sooner – soonest

366) sore – sorer – sorest

367) sorry – sorrier – sorriest

368) sour – sourer – sourest

369) spicy – spicier – spiciest

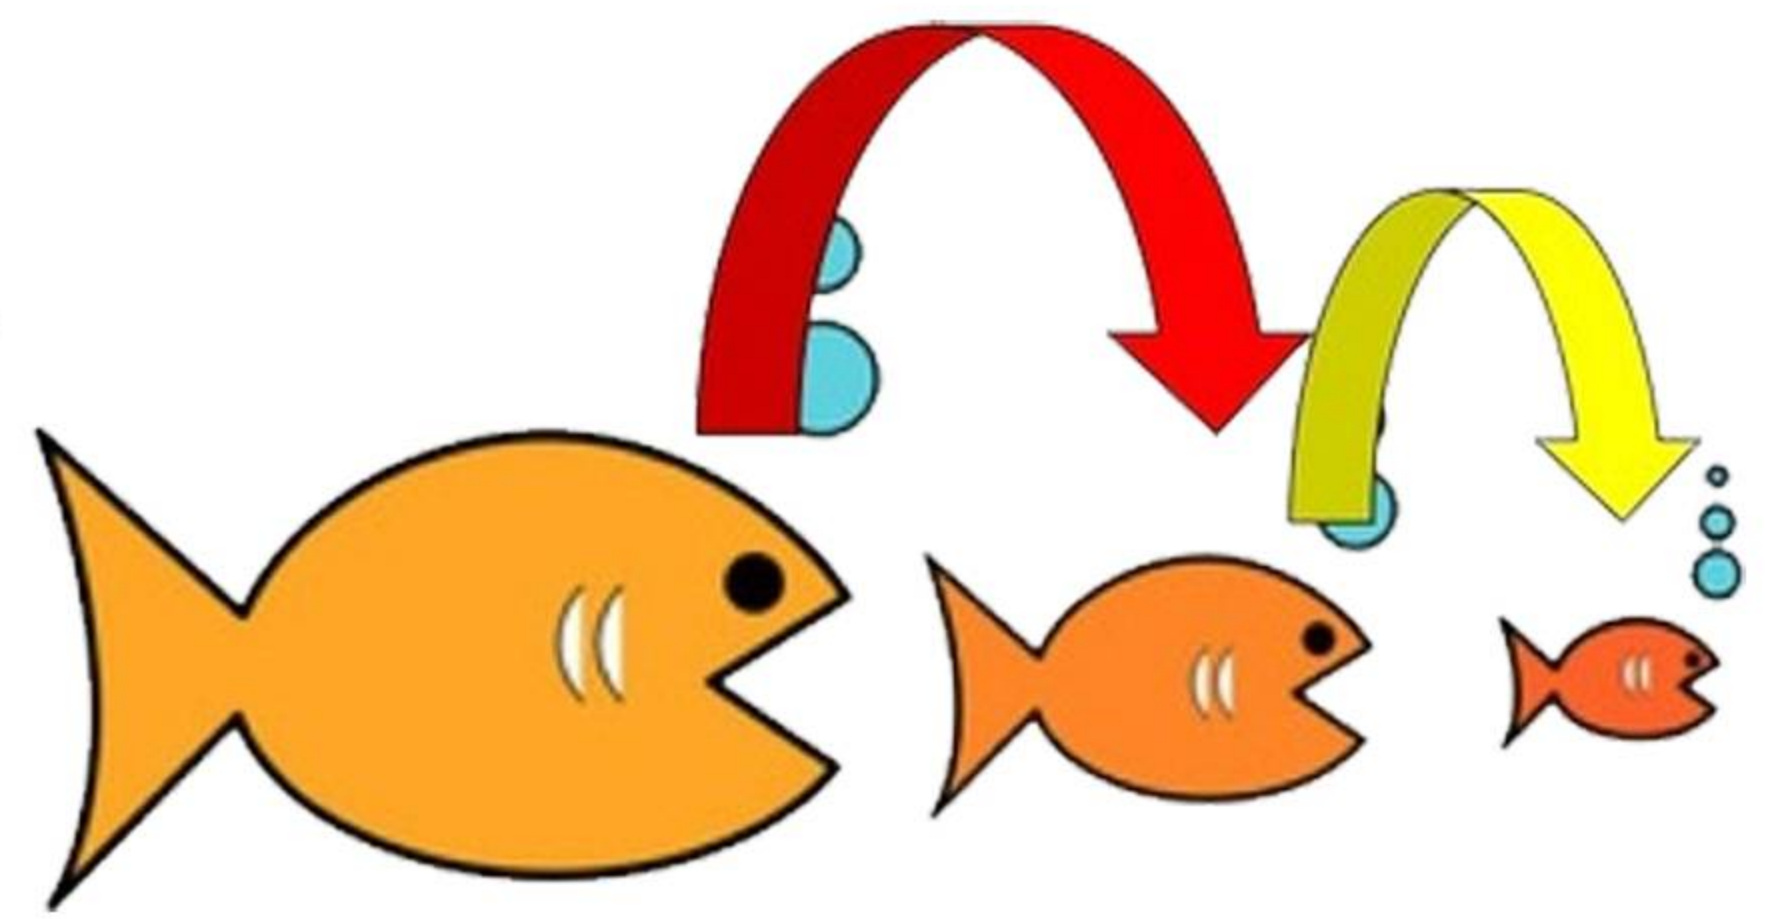

370) splendid – more splendid – most splendid

371) steep – steeper – steepest

372) sticky – stickier – stickiest

373) stiff – stiffer – stiffest

374) still – stiller – stillest

List of degrees of comparison

Positive degree — **Comparative degree** — **Superlative degree**

- 375) stingy – stingier – stingiest
- 376) strange – stranger – strangest
- 377) strict – stricter – strictest
- 378) strong – stronger – strongest
- 379) stubborn – more stubborn – most stubborn
- 380) studious – more studious – most studious
- 381) stupid – stupider/more stupid – stupidest/most stupid
- 382) subtle subtler/more subtle subtlest/most subtle
- 383) successful – more successful – most successful
- 384) sunny – sunnier – sunniest
- 385) sure – surer/more sure – surest/most sure
- 386) surly – surlier – surliest
- 387) surprising – more surprising – most surprising
- 388) sweaty – sweatier – sweatiest
- 389) sweet – sweeter – sweetest
- 390) sweetly – more sweetly – most sweetly
- 391) swiftly – more swiftly – most swiftly

List of degrees of comparison

Positive degree — **Comparative degree** — **Superlative degree**

392) swollen – more swollen – most swollen

393) tall – taller – tallest

394) tan – tanner – tannest

395) tasty – tastier – tastiest

396) tender – tenderer – tenderest

397) terrible – more terrible – most terrible

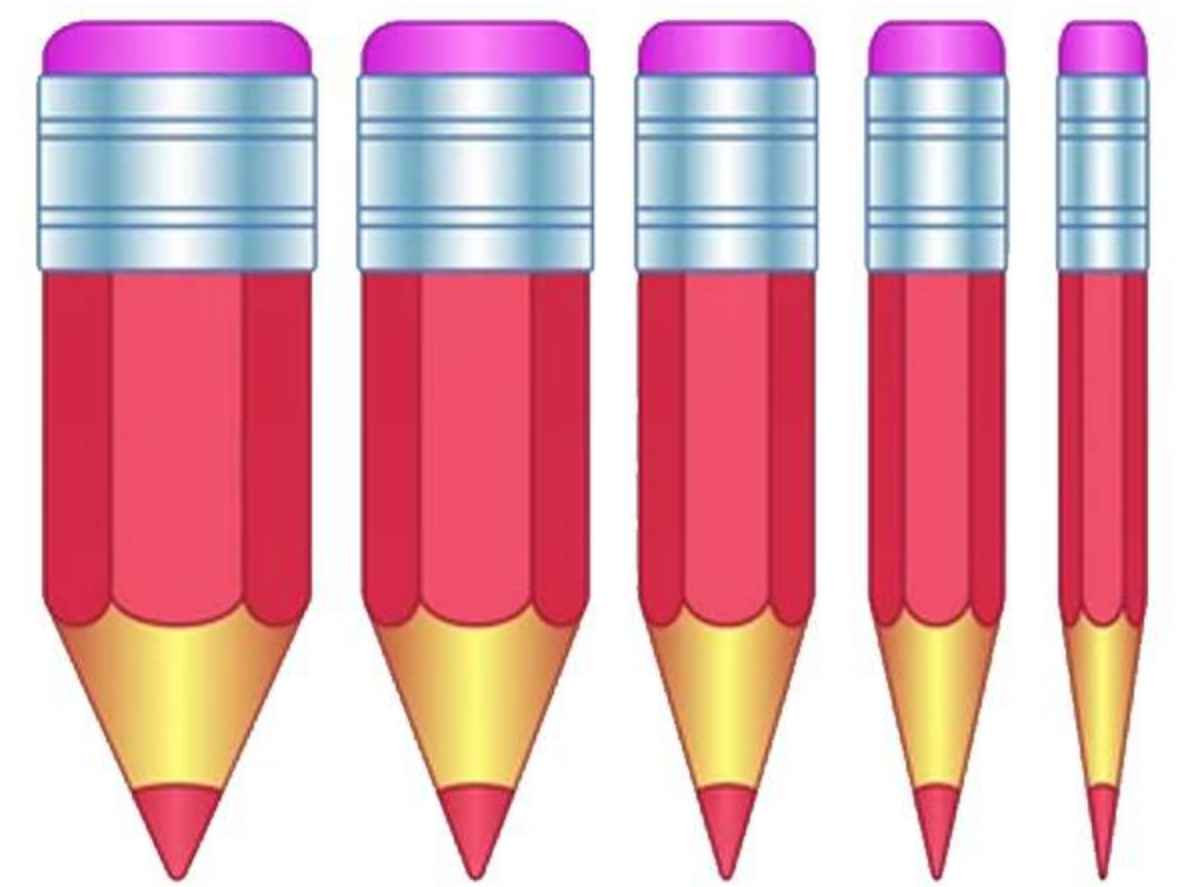

398) terribly more terrible – most terrible

399) terrific – more terrific – most terrific

400) thirsty – thirstier – thirstiest

401) thick – thicker – thickest

402) thin – thinner – thinnest

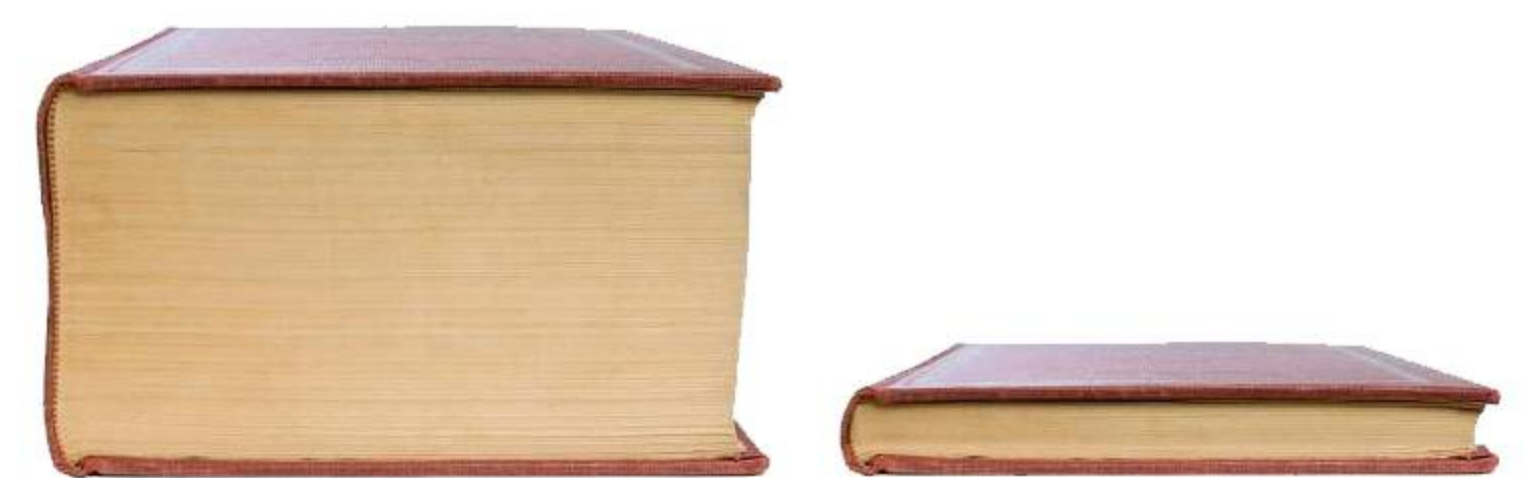

403) thoughtful – more thoughtful – most thoughtful

404) tight – tighter – tightest

405) tiny – tinier – tiniest

406) tough – tougher – toughest

407) tragic – more tragic – most tragic

408) true – truer – truest

List of degrees of comparison

Positive degree — **Comparative degree** — **Superlative degree**

409) truly — more truly — most — truly

410) truthful — more truthful — most truthful

411) ugly — uglier — ugliest

412) unkind — more unkind — most unkind

413) unusual — more unusual — most unusual

414) up — upper — uppermost

415) upset — more upset — most upset

416) useful — more useful — most useful

417) usefully — more usefully — most usefully

418) valuable — more valuable — most valuable

419) visible — more visible — most visible

420) warm — warmer — warmest

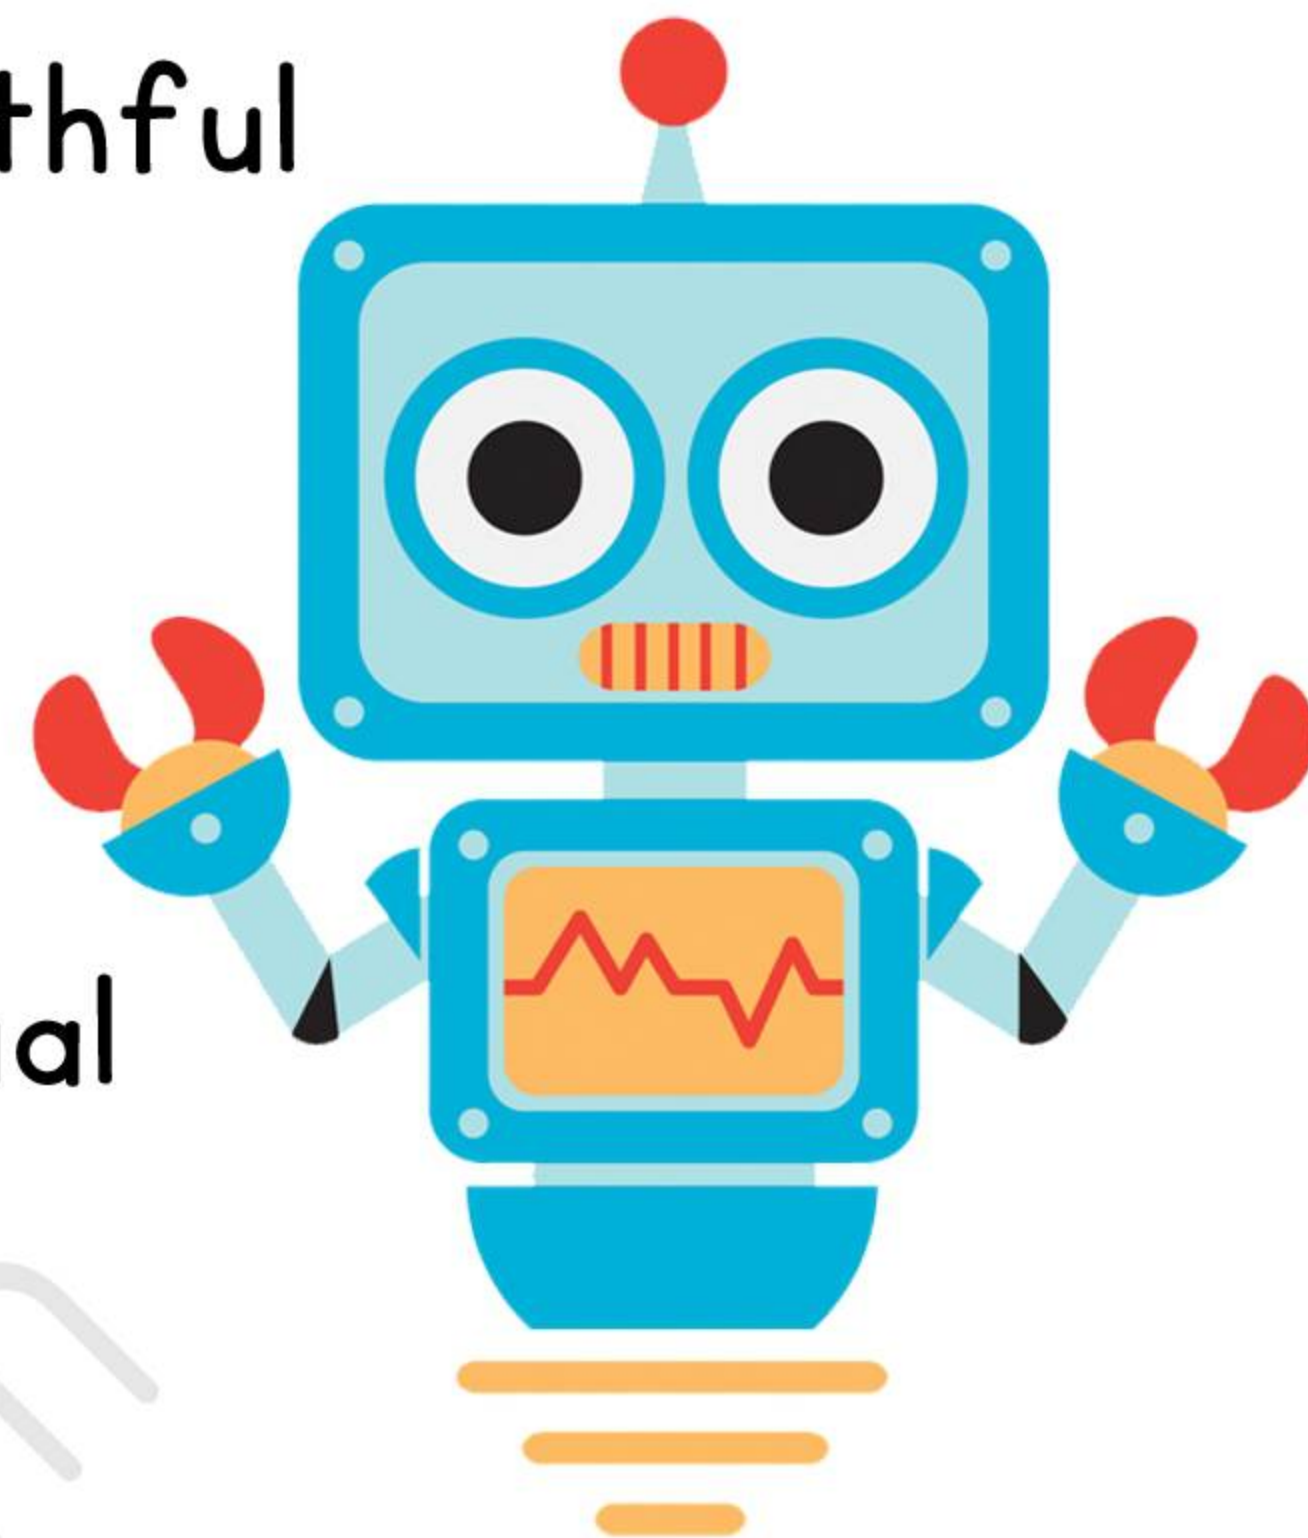

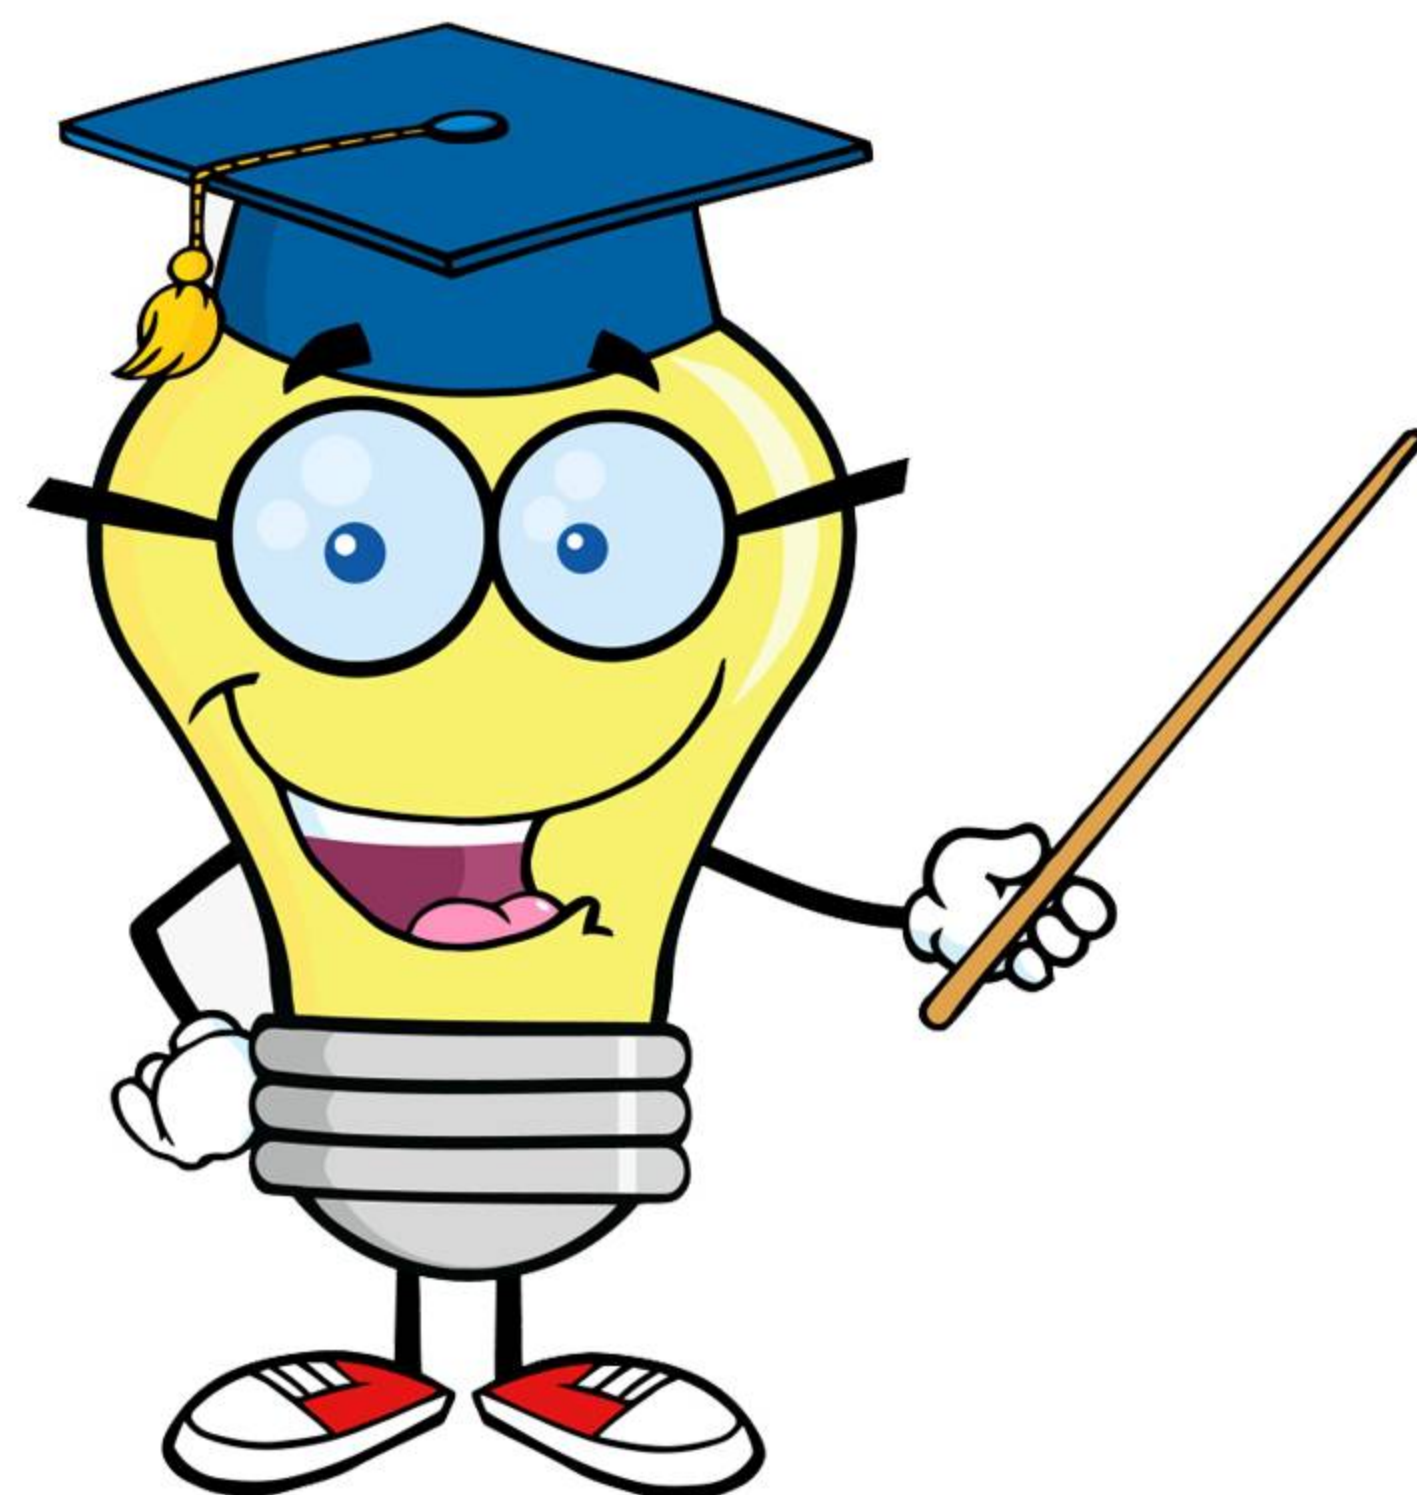

421) wealthy — wealthier — wealthiest

422) weird — weirder — weirdest

423) well — better — best

424) wet — wetter — wettest

425) white — whiter — whitest

List of degrees of comparison

Positive degree — **Comparative degree** — **Superlative degree**

426) wide – wider – widest

427) wild – wilder – wildest

428) windy – windier – windiest

429) wise – wiser – wisest

430) witty – wittier – wittiest

431) wonderful – more wonderful – most wonderful

432) worldly – worldlier – worldliest

433) worthy – worthier – worthiest

434) yellow – yellower/more yellow – yellowest/most yellow

435) young – younger – youngest

436) zealous – more zealous – most zealous
